

At the Gage Hotel, we welcome your pets to share your travel experience with you. Before bringing your pet along with you, please review the following hotel pet policy.

**Specific hotel rooms are reserved for pets**, so please mention you are traveling with a pet when making your reservation. This will ensure we have an approved pet friendly room ready for you when you arrive.

If you leave your canine companion unattended in your room, it is imperative that your pet be secured in a kennel and please inform our front desk your pet is being left in your room. In case of any type of an issue regarding your pet, please provide our front desk your contact cell number.
